**Goals 4 Hope** was created in 2017 by Mayor Frank Bivona and Community Director and Mayors Wellness Campaign Coordinator, Dina Robinson. The Mayors Wellness Campaign's purpose is to get children and adults outside to promote healthy activities and well-being. Through Goals 4 Hope, we are able to support local families in our community. Each year, we raise funds to support a family or person in need.

**Franklin Lakes Mayors Wellness Campaign** coordinates many programs throughout the year that are designed to promote healthy activities and well-being in the Franklin Lakes community. The goal of this campaign is to increase opportunities for residents of all age groups, from youth to seniors, to participate in physical activity with a long-term goal of improving health.

**Stateline Soccer Club** is dedicated to the development of soccer players by creating an environment where they can achieve their goals and grow to love the sport. Working with male and female players from ages five to eighteen, age specific programs are in place that adhere to the philosophy "*the game is the teacher.*" We build confidence in our players with positive re-enforcement, so they may acquire the individual technical and tactical skills to perform within the team to the best of their ability. Off the field, Stateline SC supports and gives back to local communities with programs including **Kick The Can** food drive, **Challenger Soccer**, **Adopt a Family** holiday drive and **Goals 4 Hope**.

This year's Goals 4 Hope event will generate a donation to the Cornerstone Church in Wyckoff, New Jersey **In Memory of Coach Drew Gibbs**. Coach Gibbs, who passed away in November 2021, was a resident of Wyckoff and beloved Ramapo teacher and coach from 2001-2021. Gibbs became football head coach at Ramapo High School in 2001 and was a valued member of the community. Coach loved everyone who crossed his path and found joy in the happiness of others, especially when it came to family, football and food. He was a truly beloved husband, father, teacher, coach and friend.

Coach Gibbs was a resident of Wyckoff, New Jersey and had been a lifelong resident of both Midland Park and Wyckoff. Graduating in 1980, Drew went to Midland Park High School where he was a captain of the football team and a varsity wrestler. He then went on to play football at Gettysburg College before transferring to Montclair State University to finish his degree in Physical Education.

Coach Gibbs is survived by his wife, Sharon, his children Ashley, Brian (his wife Maddie), Caroline, and his grandson, Tyler. Coach Gibbs loved the "Three Fs" -- family, football, and food. He loved to go out with his wife, Sharon, to dinner on weekends and would always boast of her cooking. Coach and his wife were inseparable and were truly in love. Coach loved his children so much and was happiest when they were all together. Holidays were his most favorite time because he would sit at the kitchen table for hours and talk to his family. He was incredibly proud of his family and was happy when they were happy.

Coach began coaching with his best friend, Chuck Johnson, at Ridgewood High School in 1984. After coaching for a few years with Chuck, Coach became the Head Coach at Kean University for the 1987 season. Following his stint at Kean, he returned to Ridgewood where he had a myriad of different coaching responsibilities including calling the plays while Coach Johnson called the defense. In 2001, Coach Gibbs became the head coach at Ramapo High School. Coach was extremely excited because this was the school his children would eventually attend, and two of his favorite things, football and family, would be joined together. At Ramapo, Coach Gibbs won 180 games and 7 sectional titles. After being the head wrestling coach at Ridgewood for some years, Coach eclipsed 100 wins in Ramapo wrestling.

More importantly than the wins and the championships, Coach Gibbs valued the relationships he built along the way. Coach would boast of his former players, not only having success on the football field, but most importantly, what they were doing in life. He also loved his job teaching physical education and his "AP GYM" class was renowned by anyone who had him. Coach Gibbs attended at least one concert and one performing arts play a year at Ramapo. He was so proud to be a part of the Ramapo community and all he wanted was the best for every student that walked the hallways.

Coach loved everyone who crossed his path and found joy in the happiness of others, especially when it came to family, football, and food. He was a truly beloved husband, father, teacher, coach, and friend.

## Goals 4 Hope - 3v3 Soccer Rules

**RULES OF THE GAME:** FIFA rules apply if not modified within. Teams will be placed into divisions based upon age and gender.

**Sportsmanship:** Good sportsmanship is to prevail at all times. Inappropriate behavior will not be tolerated. Disciplinary action will be determined by the Tournament Director.

**Game Duration:** The game shall consist of a **16-minute** running clock with no timeouts. There is no "mercy rule" but goal differential will be capped at a maximum of 6 goals in the game results.

**Number of Players:** Four (4) players maximum per team. Three field players, with 1 substitute maximum. Substitutions are on the fly.

**No Offsides in 3v3 Soccer!**

**No Slide Tackling:** Players must stay upright and "on their feet" and may not make contact with an opposing player. Indirect free kick awarded to the opposing team for infringements.

**Goal Scoring:** A goal may only be scored from a touch (offensive or defensive) within a team's offensive half of the field (ball must be completely on the offensive half of the field: cannot be touching the midline). If a player in their defensive end kicks the ball across midline and the ball hits another player (offensive or defensive) and the ball goes in the goal, a goal will be awarded. A goal cannot be scored directly from a kickoff.

**Five Yard Rule:** In all dead ball situations, defending players must stand at least five yards away from the ball. If the defensive player's goal is closer than five yards, the ball shall be played five yards from the goal box, in line with the place of the penalty.

**The Goal Box:** There are no goalkeepers in 3v3. The Goal Box area is located directly in front of the goal (size: 2 yards deep by 4 yards wide). There is no ball contact allowed within the Goal Box, however, players may pass through the goal box as long as they do not touch the ball while in the box. If a ball comes to a rest in the goal box, or on the goal box line, a goal kick is awarded regardless of who touched the ball last. If a **defensive player** touches the ball after it has entered the goal box, a **Direct free kick is awarded to the offensive team** (10yds from the goal). If an **offensive player** touches the ball after it has entered the goal box, a **Goal Kick is awarded to the defensive team**. The referee's judgment call and ruling on the field will not be overturned.

**Penalties:** All restarts from fouls (and handballs) are Indirect kicks, expect as noted above in "The Goal Box."

**Scoring:** Games will be scored according to the following: 3 points for a win; 1 point for a tie; 0 points for a loss.

**Kick Off and Kick Ins:** Kick off may be taken in any direction. For Kick Ins, the ball shall be kicked into play from the sideline instead of thrown in. The ball is considered in play when the ball is touched with a foot and moves one full rotation.

**Forfeited games:** Games start every 20 minutes, by signal of horn. The game will start with two members of a team present. Teams that do not show up at the designated field within first 5 minutes of start will Forfeit. A Forfeited game is scored as a 2-0 win for the team present.

**Tie Breakers:** Ties will be broken by (1) head to head results between the tied teams (2) goal difference in head to head games (3) goals against in head to head games (4) goal difference (5) goals against (6) shootout.

**Uniforms and Equipment:** All players must wear Goals 4 Hope jersey provided by tournament. All players must wear shin guards and cleats or turf shoes.

***The Tournament Director has the right to move or reschedule games as necessary. The Tournament Director will have final authority on all event disputes and issues as well as interpretations of Tournament Rules.***
